International Convention (ICON)

This will take place in St. Louis, Missouri August 4th - 7th. It will take place in the beautiful campus of Washington University. Registration costs \$395, this includes, convention registration, housing, some food, and convention materials. Please plan to send at least one representative from each school as you will need a representative from your club for the House of Delegates (voting on amendments and new officers). Please visit circle.org/convention for more details and to sign up!

Large Scale Service Project (LSSP)

Yay! Circle K International's LSSP is in St. Louis, Missouri this year from July 31st- August 4th! LSSP is basically 3 days of service and 1 day of fellowship! It is an amazing opportunity to do service on a larger scale with Circle K-ers from all over! The cost for this event has not been posted, however, it will most likely be around \$200. This will include housing, registration, food, and LSSP materials. This doesn't include transportation. ICON will follow LSSP in the same location! Visit circlek.org/conventions and click on '2010 LSSP' for more details!
