Board Retreat in Tucson Recap

This retreat went extremely well! For those we came, we got to know each other really well and enjoyed each other's company (I hope so at least!). I can't wait to see the rest of the board this summer at ICON/LSSP!

New Club in Formation!

Diana Garcia of Grand Canyon University is starting a club! Please welcome her and offer her support so that her club will be as successful as yours! Her email is dgarcia05@my.gcu.edu

May Chat Recap

Thank you to all who went to the chat on May 9th! I was a little disappointed that only a few people came because quite a bit of people told me that they preferred to have the May chat on that Sunday. Next time people, be there or be square! Here is what we discussed for those who missed the chat:

- Summer Events
 - Don't forget to keep in contact with your members in the summer! You can send messages to them online or create a service project/social in your area! Look at the summer event box for ideas on what you can do!
- New Bulletin Blurbs!
 - Erin will be adding some blurbs in the bulletin about fundraising projects and updates from the other districts in our sub-region (We're in sub-region B which includes districts Ca-Nev-Ha and Rocky Mountain)
- ICON/LSSP
 - Don't forget to register by JUNE 1ST!!!! The cost will go up after. So far, only about 2 or so people have signed up for each event so do so soon! We need to get started on planning the district dinner and other events/festivities!
